

## Pablo Legorreta

Pablo Legorreta is the CEO of Royalty Pharma, a company he founded 1996. Mr. Legorreta has over 20 years of experience investing in pharmaceutical royalties, and building and managing a rapidly growing life sciences investment company that is today one of the largest dedicated life sciences investors in the world with over \$16bn in royalty assets. Royalty Pharma does not discover, develop, manufacture or market biopharmaceutical products. Royalty Pharma funds innovation in life sciences, indirectly, when it acquires existing royalty interests from the original innovators (academic institutions, research hospitals, foundations and inventors) or, directly, when it partners with life sciences companies to co-develop and co-fund products in late-stage human clinical trials. Royalty Pharma has assembled a portfolio that includes

royalty interests in 8 of the top 30 drugs in the world. In 2017, Royalty Pharma recorded \$2.5 billion in royalty revenue and \$2.4 billion in EBITDA.

Mr. Legorreta founded Pharmakon Advisors in 2009, a leading provider of debt capital to the life sciences industry. In 2017, Mr. Legorreta founded BioPharma Credit PLC, the first London Stock Exchange listed fund specializing in debt financing for the life sciences industry.

Prior to founding Royalty Pharma, Mr. Legorreta spent a decade at Lazard Frères in Paris and New York where he provided cross-border M&A and corporate finance advisory to European and U.S. corporations.

Mr. Legorreta serves on the Board of Governors of the New York Academy of Sciences, as well as the Boards of Trustees of Rockefeller University, Brown University, the Hospital for Special Surgery, Pasteur Foundation (the U.S. affiliate of the French Institute Pasteur), Open Medical Institute and Park Avenue Armory. Mr. Legorreta is the founder and chairman of Alianza Médica para la Salud, a non-profit dedicated to enhancing the quality of health care in Latin America by providing doctors and healthcare providers with continued education opportunities. Since its foundation in 2010 AMSA has provided over 450 scholarships to Mexican and Latin American doctors and healthcare providers to study abroad.

Mr. Legorreta has a degree in industrial engineering from Universidad Iberoamericana in Mexico City.
