*Founder and Chief Executive Officer  
Coast*

Daniel Simon '14 (J.D./M.B.A.) is the founder and Chief Executive Officer of Coast, a commercial payments startup focused on the needs of companies that operate fleets of vehicles, and backed by Accel, Insight Partners, and other venture capital firms. Previously, while a student at YLS/SOM, Mr. Simon co-founded, along with Josh Abramowitz '97, Bread, a consumer payments and lending firm that sold in 2020 for over \$500 million, and where he served as Chief Technology Officer and Chief Operating Officer. Prior to law school, he spent several years as a software engineer and architect, leading teams to design and build systems for Wall Street banks, asset managers, and hedge funds. Mr. Simon also holds a B.A. in International Relations from Boston University.
