

## **Cristian Tiu**

*Chair, Department of Finance and Associate Professor of Finance, University at Buffalo*

Cristian Tiu is the Chair of the Department of Finance and an Associate Professor of Finance at the University at Buffalo. He is also the current Academic Chair of the MBA/MS programs at the University at Buffalo. Professor Tiu is interested in determinants of performance for non-standard institutional investors such as university endowment funds and hedge funds. He has published in outlets such as the *Review of Financial Studies*, *Mathematical Finance*, or the *Journal of Investment Management*. He has presented his work at venues such as the American Finance Association or the Western Finance Association meetings, or at practitioner events such as the Global ARC. He is a member of the Investment Committee of the University at Buffalo Foundation, an \$800+ million university endowment, and an academic adviser to Quent Capital, a New York hedge fund. Professor Tiu is an expert in endowment management, including aspects related to governance, compensation, integration with the university, and investments, and has consulted for various dedicated organizations such as UTIMCO, Perella Weinberg, or TIAA.

Professor Tiu is a member of the American Finance Association, the Western Finance Association, the Association of Governing Boards of Universities and Colleges, and a TIAA Institute Fellow.
