

## **Dave Wong**

*Managing Director, Incident Response Services,  
Mandiant, a FireEye Company*

**Dave Wong** is a Managing Director for Incident Response Services at Mandiant, a FireEye Company. Mr. Wong leads a team of 50 incident response professionals and security consultants to help companies detect, prevent, and respond to information security incidents. Some of the investigations Mr. Wong has led include a data breach at a large retailer, intellectual property theft from a law firm, and cybercrime cases for financial services institutions. Mr. Wong has over 15 years of experience in information security. Prior to joining Mandiant, Mr. Wong was an information security analyst at a hedge fund and held leadership positions at Ernst & Young, LLP and NCC Group, PLC.
